Subject: Party time!

Dear Hannah,  
Hope you're well. What are you doing at the weekend? We are organizing our traditional class reunion on Sunday evening, 5<sup>th</sup> November. It's a great chance to meet up again. The event is going to be at Jack's Restaurant on Main Street at 8 p.m. If you want to attend, please, let me know until 29<sup>th</sup> October.  
We're expecting to see you there.  
Love  
Susan

Date	Sender	Deadline	Place	Event
5 <sup>th</sup> November	Susan	29 <sup>th</sup> October	Jack's Restaurant	Class Reunion

2. Read the text and fill in the blanks with the names from the text. (4X5=20 pts.)

Hi! My name is Tom. I'm a student at Yorkshire Secondary School. I have a lot of friends at school. Henry is my best friend. We have a lot in common. I count on him a lot. He always keeps my secrets. One of my close friends is Daniel. He always backs me up in bad times. I know he'll be there when I call him. James is my classmate. He likes sharing his belongings. To me, he is a great buddy. Philip always makes me laugh. I like spending time with him.

- Philip** is a funny person.
- Tom thinks **James** is generous.
- Daniel** always supports Tom.
- Tom trusts **Henry** because he is reliable.

3. Read the situation and write down your answer in one full sentence. (10 pts.)

One of your friends invites you to a music event. You want to attend it, but you have another plan then. You have to refuse the invitation with an excuse.

**I'm sorry, but I can't. I must study for my maths exam.**

4. Fill in the text with suitable free time activities according to the table. ( 4X5=20 pts.)

Fred's Weekly Activities				
				
Monday		√	√	
Tuesday			√	
Wednesday		√	√	
Thursday			√	
Friday			√	√
Saturday	√			
Sunday	√			

Fred is a fourteen-year-old-teenager. He likes doing different activities. He **does exercises / trains / does sports / works out** on weekdays. He **watches movies / films** once a week and **meets up his friends** on Mondays and Wednesdays. He likes **go hiking** at the weekend.

5. Read the information and fill in the chart with the appropriate music types.

(5X5=25 pts.)

- Nearly half of the teenagers prefer rap music.
- Teenagers are more interested in pop music than techno music.
- Listening to beatbox music is as popular as techno music.
- Heavy metal is the least preferred music type among teenagers.
